

Our Vision

"To be a leading world class company that provides reliable maritime solutions in the areas of Quality, Health, Safety, Environmental, Crisis, Security, and Risk Management responsibly, balancing risk and opportunities in a sustainable way."

Our Mission

"To provide real life, effective and efficient maritime solutions range including Consulting and Information provision in order to maximize client benefit and minimize risk."

Our Values

Respect - Underpins everything we do and every interaction we have. Respect for people: our colleagues, our customers, and our business partners.

We are socially responsible, we respect the individual, the local customs and cultures of our markets. Acting with care and consideration is central to our wellbeing and safety and ensures we minimize our environmental impact.

Integrity - The very corner stone of our business. We behave ethically - always.

We are honest, fair and equitable in all our dealings. We are dedicated to good corporate governance. We strive to do the right thing not because someone is checking, or looking, but purely because it is the right thing to do.

Teamwork - Everything we achieve is as a result of teamwork.

Each of us is responsible and open in our professional relationships, cooperative and collaborative, treating one another with dignity and respect. We do not blame; we find and share solutions and we learn from mistakes.

Excellence - In everything we do. We are resourceful and responsive to our customers' needs; innovative in the solutions we apply to everyday problems.

We safeguard our individuality and the qualities that set us apart from our competitors, protecting our reputation and the professional trust we have built, we do not walk away from our commitments.

Safe - Above all we are safe.

We are committed to protect the health and safety of our people and our environment.
